

ETFO Niagara Collective Bargaining Update

Dear Teachers:

There is a provincial offer currently on the table which is being carefully considered. The ETFO Provincial Executive met Tuesday night (February 10) and is meeting again today (Wednesday evening).

A meeting of local presidents has been scheduled for Thursday, February 12, 2009 to receive details of those discussions. Please note that all Local Regional Stewards meetings will continue as scheduled.

Please continue to check your local and provincial websites for current information (www.etfoniag.com and www.etfo.ca).

Stay calm and stay strong,
Your Collective Bargaining Team
