

KINDERGARTEN ONSITE **PART 2** ADDITIONAL QUALIFICATION COURSE

The Elementary Teachers' Federation of Ontario is offering this professional learning opportunity for teachers. ETFO has a proven track record for providing high-quality professional learning opportunities for educators across the province of Ontario. This course is for teachers interested in enhancing their professional knowledge about effective practice when working with children aged 3.5 - 6 years old. This course will focus on the benefits of purposeful play-based learning experiences that ensure the on-going learning of every child. This course is designed to enhance professional practice, and extend and apply knowledge and skills in the design and delivery of kindergarten programs.

This is an onsite course which will provide members with the opportunity for both face-to-face learning, as well as an online component. Participants will require access to a computer and an Internet connection during the full session of the course. Working in an online community is a requirement of the course. Candidates must attend all sessions and online learning experiences in order to comply with the requirements from the Ontario College of Teachers.
