

Ski Kissing Bridge for \$25

On Saturday, January 28, 2012 the Elementary Teachers' Federation (ETFO) is sponsoring a ski day at Kissing Bridge in Glenwood, New York. We have arranged a great price for ski lift tickets for this special event. All day lift tickets (9:00 a.m. – 5:00 p.m.) will cost \$25.00 Canadian and will include a lesson. Individuals will be responsible for their own transportation and will need to provide their own ski equipment. Friends and family are welcome and no I.D. is required to participate in this offer.

Again this year, we are arranging rental of equipment at Kissing Bridge at a reduced rate. As usual, there will be food and drink specials offered to our group in the Lake Effect Saloon starting in the early afternoon.

There will be no advance sign up or payment necessary. We will be set up in the Lake Effect Saloon and will sell you your tickets there. This will be a **cash only arrangement, at this price**. Make sure you see us at the Lake Effect Saloon in the main lodge at the Central Ski Hill to get this greatly reduced lift ticket price.

A second ski day is planned for February 25th. More details will be sent closer to this date.

We are arranging for a room at the Central Ski Area to be at our disposal for the day. This will give us an area in which to leave boots, lunches and other items while we are skiing.
